Please find below and/or attached an Office communication concerning this application or proceeding.

Art Unit: 2655

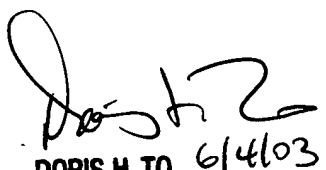

**Suspension of Action, At the Initiation of the Office**

It is noted that this reissue application contains only original allowable unamended claims and is related to one or more pending divisional reissue applications. In accordance with MPEP 1450, if the reissue application containing only original unamended claims becomes allowable first (and no "error" under 35 U.S.C. 251 exists), further action in that reissue application will be suspended to await examination in the divisional reissue application(s) containing the added claims.

37 CFR 1.103(e) provides that the Office will notify applicant if the Office suspends action in an application on its own initiative.

Accordingly, this reissue application is **SUSPENDED FOR A PERIOD OF SIX (6) MONTHS FROM THE DATE OF THIS LETTER** or until such time as the divisional reissue application(s) containing the added claims is examined and becomes allowable, whichever is earlier. Upon expiration of the period of suspension, applicant should make an inquiry as to the status of the application.

Any inquiry concerning this communication should be directed to Doris To at telephone number (703) 305-4827. The examiner, Ali Neyzari, can be reached at (703) 308-4906. The fax number for this Group is (703) 872-9314.
